Hours and fees

- All boarding charges are by the night. A daycare charge will be incurred on the final day if dogs are not picked up in the morning hours.

Health and Safety policies

- I certify that my dog(s) is/are current on all vaccinations. Taurus requires Rabies, Distemper, Hepatitis, Leptospirosis, Parinfluenze, and Parvovirus according to your veterinarian's protocol. **Bordetella is strongly recommended every six (6) months.** Vaccinations must be given **one week** before boarding or day care. The intramuscular Bordetella followed by the intranasal two weeks later is recommended.
- I understand that it is my responsibility to keep my dog current on vaccinations and to provide updated records to Taurus, and I understand that my dog will be refused if I fail to do so.
- I certify that my dog has not been exposed to Distemper, Rabies, Parvovirus, or other contagious illnesses (giardia, coccidia, ringworm, etc.) and is/are to my knowledge in good health.
- I understand that all dogs at Taurus are vaccinated and healthy, but that there are viruses (e.g. upper respiratory) that cannot be fully vaccinated against and that in a social setting such as day care my dog may be exposed to such.
- I understand that although my dog is vaccinated against Bordetella, it is not a guarantee that my dog will not contract a virus and will not hold Taurus responsible for any veterinary expenses.
- If my dog has fleas or other external parasites, s/he will be treated at my expense. All dogs are required to be on a monthly topical preventative (e.g. Advantage, Frontline).
- I certify that my dog is in good health and has not been exposed to or exhibited symptoms of any contagious illness within the past 30 days. I understand that I may be required to pick up my dog from boarding or daycare should he or she exhibit any signs of illness.

I hereby agree to the above as owner or owner's authorized representative.
